

CUSTOMER LEARNING CLOUD SUPPORT PASS

Summary

Are you or your team ready to update your NetSuite skills but have struggled to fit learning into your schedule? With the Customer Learning Cloud Support Pass, you can easily and cost-effectively engage in continuous learning that fits around your daily responsibilities.

As a cloud solution, the Customer Learning Cloud Support Pass provides access to learning content anytime, anywhere. Perfect for individuals, or teams, needing just-in-time training on many areas of the NetSuite application.

Solution

- An easy way to learn NetSuite that fits into your schedule 24x7

Courses may include:

- Recorded presentations
 - Student workbooks
 - One demo account per course with 90 days access³
 - Content current with each NetSuite release
-
- Instructor email support within 1 business day
 - On-demand access to expert-led learning
 - Apply and practice new skills with hands-on exercises
 - One cost-effective training fee¹

¹The Customer Learning Cloud Support Pass contains online access to the courses included as detailed in the [terms of service description](#) (for the number of specified users for the contract term (each person is a “confirmed user”). The confirmed users* are the only persons who may use the course and/or materials. Sharing the training with others in any way is expressly prohibited. These training services shall be provided pursuant to the Customer Learning Cloud Support Pass terms and conditions found at <http://www.netsuite.com/termservice>.

²Pricing will vary depending on country and taxation requirements. Customer Learning Cloud Support Pass does not include NetSuite Partner Consultant Masterclass or Certification vouchers.

³ NetSuite Demo Accounts are included when they form part of the standard course curriculum. Prepare for the Training On Demand experience by viewing the [system requirements](#).
